## **Resolution 1978-12-16**

### **NATIONAL SURVEY OF FISHING AND HUNTING**

**WHEREAS**, the U.S. Fish and Wildlife Service has sponsored national surveys of fish and hunting every five years since 1955 which have proven to be vital aids in planning for state wildlife agencies as well as for federal and private interests; and

**WHEREAS**, it is desirable to continue to assess trends in fishing and hunting participation and the contribution made by these activities to the general economy:

**NOW, BE IT THEREFORE RESOLVED**, by the International Association of Fish and Wildlife Agencies at its annual convention in Baltimore, September 13, 1978, that the U.S. Fish and Wildlife Service undertake a Sixth National Survey of Fishing and Hunting for the year 1980 which will be comparable with the five previous surveys; and

**BE IT FURTHER RESOLVED**, that the Association endorses the use of funds from the federal-aid-in-fish-and-wildlife restoration programs for this purpose.
